**EARLY CHILDHOOD INSTRUCTORS
EARLY HEAD START
\$17.42-\$21.39/hour
Closing Date: Tuesday, 2/7/12, 11:59 PM**

The Department of Human Services is currently seeking individuals with specialized knowledge of infant/toddler development and class room instruction to instruct children enrolled in the Head Start Program, assist in developmental assessments and organize and set up education and play materials for the classroom. The current vacancies are within the Early Head Start Unit and incumbents will be required to perform home visits to support the enrichment of positive relationships between children and their caregivers by providing developmentally appropriate in-home activities and facilitate family goal-setting for the benefit of the children's comprehensive development.

Minimum requirements include an AA in Early Childhood Education, Child Development, Human Growth and Development or a related field with 24 post-secondary semester units or equivalent quarters units in early childhood education or child development. To qualify, you must have units that cover the general areas of child growth and development, child family and community, child and family, or program/curriculum and have successfully completed 6 infant/toddler units. Six months of work experience in a licensed child care center or comparable group child care program is also required. A Bachelor's degree and bilingual skills in Spanish, Cantonese or Mandarin are highly desirable.
